Dear Committee Members,

Thank you for participating in the review of the 2011/2012 editions of the various model construction codes for possible adoption by the local jurisdictions. We have a lot of work ahead of us and we are ready to get started.

A kick-off meeting has been scheduled to start the review process. The meeting is scheduled for **April 11, 2012 at 1:30 pm** and will be held at **Clark County Building Division, 4701 West Russell Road in the Presentation Room**. At the meeting, we will announce the various committees and their members. Also, we will address the process to be followed in conducting our work and answer any questions you may have.

Please note it is the responsibility of each committee member to obtain their applicable 2011/2012 code books.

The 2011/2012 code books may be purchased at:

- ◆ International Code Council (ICC); www.iccsafe.org/e/category.html
- ◆ International Association of Plumbing & Mechanical Officials (IAPMO); www.iapmostore.org
- ◆ International Association of Electrical Inspectors (IAEI); <http://www.iaei.org/>

Please review your information printed on the attached list of Code Committee Appointments and e-mail Sharyn Davis at sdavis@clarkcountynv.gov with any corrections.

It is important that you attend this meeting. We hope to see you there.
